

School Supplies for Remote Instruction

Parents,

Please purchase what you can of the items below. We recognize that some of our families are having financial struggles as a result of Covid 19. We do not want to put additional pressure on any families. We also know that some families will be able to purchase some extra classroom supplies to share with others. We will be in touch with you regarding remote instruction, virtual open house and orientation. Also, if you come across some good sales, you can purchase items for usage when students physically return to school 😊
