

GUILFORD COUNTY SCHOOL SYSTEM JOB DESCRIPTION

JOB TITLE: SUPERVISOR I – HEALTH EDUCATION & PE

GENERAL STATEMENT OF JOB

Under general supervision, performs a variety of administrative tasks in coordinating the successful implementation of health and physical education programs in the district. Employee is responsible for interpreting changes to the North Carolina Curriculum regarding health and physical education, informing teachers and principals of the implications of those changes, and ensuring that instruction is aligned with curriculum goals. Employee conducts observations of existing health and physical education programs, evaluates the effectiveness of current programs and also assesses the need for new programs. Employee provides professional development opportunities for staff and assists teachers in developing goals for individual programs. Employee also assists teachers with textbook and other materials selection and provides teachers various tools and materials to aid instruction. Reports to the Director of STEM.

SPECIFIC DUTIES AND RESPONSIBILITIES

ESSENTIAL JOB FUNCTIONS

Coordinates the health and physical education program for the school system; visits schools and observes classes on a regular basis to evaluate current programs and assess the need for new programs; meets with principals and teachers to discuss the implementation of curriculum goals.

Ensures teachers, principals, and curriculum facilitators are familiar with any changes to the North Carolina Curriculum regarding health and physical education; provides leadership in curriculum planning and the formation of goals and objectives for the program.

Assists with the overall evaluation of health and physical education programs in the system and develops strategies for improvement; coordinates and provides staff development opportunities.

Collaborates with other departments to ensure equitable access for all students.

Assists the school system with the acquisition of appropriate textbooks, teacher guides and other instructional materials and equipment for health and physical education; works with principals and teachers to acquire additional space and facilities at individual schools for health and physical education use.

Convenes periodic meetings of contact teachers and department chairpersons in the area of health and physical education and attends department and general staff meetings as required.

Assists in developing guidelines and recommendations for Health and Physical Education programs for the State Department of Public Instruction.

Keeps parents, administrators and community citizens informed about health and physical

SUPERVISOR I – HEALTH EDUCATION & PE

education programs in the school system.

Develops the annual budget for health and physical education programs and events.

Participates in various professional and community organizations; attends various workshops, seminars and conferences to continuously update professional knowledge.

Develops comprehensive five year plan for the district in Health and Physical Education.

Develops district-wide teacher resources in alignment with health and physical education curriculum initiatives.

ADDITIONAL JOB FUNCTIONS

Assists with screening and interviewing applicants for teaching positions.

Works with local colleges and universities regarding Health and Physical Education teacher education programs.

All other duties as assigned by Director of STEM and Assistant Superintendent of Teaching, Learning, and Professional Development.
