Join the Greensboro Public Library's Summer Reading Program 2025!

**Embark on a journey of creativity with books and fun activities.**

How to participate:

- Register in the "Color Our World 2025 Youth Summer Learning Challenge" on the Beanstack website or Beanstack app. There you can track your progress and earn virtual badges. If we create a Beanstack account for you:
  - ‣ Your user name will be your email address.
  - ‣ Your default password will be "beanstack."

This year's challenge requires 5 activities.

- For the first activity, read 1 book of your choice and enter it in the Beanstack challenge. Any age reader may listen to an audio book or have a book read to them to complete this activity.
- For the next 4 activities, you can do any combination of reading OR attending an event at any library branch OR participating in an activity at the library like a scavenger hunt. Enter each of the four activities in the Beanstack challenge as you complete them.
- Want to track your fun in a creative way? Use the rainbow on the back of this sheet and color an arc for each activity you complete!
- Finish 5 activities and visit your favorite Greensboro Public Library location to collect your prize! Prize pick up deadline is August 31.
