— CHECK IT OFF THE LIST —

Tdap and MCV Mobile Clinic Locations:

-Dudley High School:

Saturday, August 17th 10 AM - 2 PM

-High Point Central High School:

Saturday, August 24th, 10 AM - 2 PM

*Parents must bring insurance information and immunization records.

IMMUNIZATION LAWS REQUIRE:

7th graders to receive a booster dose of Tdap and a first dose of Meningococcal Conjugate Vaccine before beginning the school year.

Any student entering North Carolina public schools for the first time must also provide documentation of a Health Assessment Transmittal form.

Proof of immunizations and the Health Assessment Transmittal form must be provided to your child's school within 30 calendar days of attendance to avoid suspension from school.
