

AP Lab Waiver Request

Students have the option of taking the co-requisite laboratory for AP Science and AP Art courses as a graded or as a non-graded class. An AP Lab Waiver Request must be signed by the student and parent prior to enrolling in the lab course with the understanding that graded classes will be averaged into the student's grade point average (GPA) on a 4.0 weighted scale. If the course is taken as a non-graded class, the student will not receive a grade but will receive a credit for taking the course. The credit will not be factored in to the calculation of the student's GPA. It will be listed on the transcript as Pass or Fail.

I, _____ am registered for Advanced Placement
 Student Name (Print)

_____ and I understand that I have the option of taking the
 AP Lab Course Name (Print)
 co-requisite laboratory for this course as a graded or as a non-graded class. I understand that I must attend the laboratory and that my grades in the lab will be averaged into my AP course grade. I understand further that if I choose to take the laboratory class for no grade it will not be included in computing my GPA.

(Check one)

_____ I choose to take the co-requisite laboratory as a non-graded class.

_____ I choose to take a grade for the co-requisite laboratory.
