

Student Canvas sign-in procedure

Sign into My NC EdCloud by using your student ID number and password. This is the same way you can access your PowerSchool account. The link is listed below:

my.ncedcloud.org

Once you have signed in, click on the Canvas icon

After accessing Canvas, you should see your Dashboard which will show all courses currently enrolled

Click on course to see assignments posted, as well as, due dates

On the left side of the screen, you can click on the following for additional information:

Account - view your account information

Dashboard – see currently enrolled courses

Courses – see course details

Calendar – see assignments posted and due dates

Inbox – send/receive messages to teachers

Help – best way to ask your teacher a question regarding assignments and search
Canvas Guides for additional help using Canvas

NOTE: If you do not see your courses in the Dashboard, go to Courses. Clicking on them here will populate the dashboard with your courses.
