

Weekly Email

Yearbooks are on sale now at [Jostens.com](https://www.jostens.com).

Tomorrow is a Teacher Workday. Student's will return to school on Tuesday, January 23rd.

Please be aware that we are not sending attendance calls or emails this year. It is your responsibility to keep up with your student's attendance and grades via PowerSchool. There is an option to request real-time attendance notifications in the PowerSchool app.

'Tis the season...for the flu and other viruses. We want to remind our students to please wash their hands often and cover their coughs and sneezes. Sharing is caring, but not when it comes to germs. We hope you all stay safe and well! 😊

In this season of colds and flu, your student's teachers would greatly appreciate donations of tissues. Thank you in advance for helping us all to stay healthy!

Annual testing for our language learners will begin on Tuesday, 1/23, and will continue until 2/16. Please make sure that your child comes to school with their chrome books fully charged. Thank you.

NGHS would like to apologize about the delay in posting new information on our marquee. We are unfortunately still experiencing technical difficulties and are unable to update it currently. Please check our website, social media accounts and the weekly connect eds, for updates and announcements.

If you or someone you know is struggling with higher food costs or the reduction in SNAP benefits, we are here to help! Guilford Backpack Ministry volunteers bring shelf stable weekend meals to our school each month that will help feed the family of each student enrolled in the program. Our school's counselors (**and/or social worker**) work directly with the parents to get you the bags of food, so that students can feel secure in the knowledge that confidentiality is a priority. If you would like more information, please contact **Ms. Hoyle** at **336-643-8449 x489118**

or you can fill out the application for Guilford Backpack Ministries food program at <https://forms.gle/ookfHDpSXqFuvW1t6> You are not alone!

Please remember to check your student's grades regularly in PowerSchool.

Please remind students to arrive to school equipped with charged chrome books, pencils, and other required materials necessary for learning in their classes.

***February 1st is the second administration of the NWEA Map test. All 9th and 10th grade students are expected to test.

If you are an 11th or 12th grade student, please report to school by 12:50.

If you have Weaver classes or GTCC classes in the morning, please attend those classes.***
