

Northern Guilford High School Student Chromebook Distribution

All Northern Guilford High School students are being loaned a GCS Chromebook Lenovo 300e 2nd Generation. This device is required for all students 9th-11th grade who will be GCS students next school year. 12th graders may also need a Chromebook for exams. For a list of exams which require the GCS Chromebooks, [please see the exam schedule here](#).

In order to pick up a Chromebook for an NGHS student, please:

1. Email Ms. Harris at harrisa5@gcsnc.com, and let her know that you or your student need to pick up a Chromebook.
2. Ms. Harris will email you back with a link to book a time to pick up the Chromebook.
3. Use the booking link to find a date and time that work for your schedule.
4. Come to the school at the date and time you choose.
5. When you approach the front entrance of the school, go to the far-right corner of the breezeway. There is a glass door with a sign up noting that it is the location of Chromebook pick-up. Please just knock on that door, and someone in the library will help you ASAP.
