With this innovative communication solution, the ability to have conversations with district leaders is at your fingertips — anytime, from anywhere. No time for a phone call? Can't stop by in person? We have you covered, because an engaged community means stronger schools for every student.

Simply click the Let's Talk! button on our district website, www.gcsnc.com, and choose your topic. We welcome questions and comments about what's on your mind!

Remain anonymous or leave your contact information. A response is guaranteed within 48 hours.

Let's make Guilford County Schools the best it can be — one conversation at a time!
