

NGHS NHS Meeting

November 5, 2020

Certificates

Membership certificates will be mailed in the next week to those who did not attend the drive-through ceremony. In order to receive yours, make sure your dues are paid! They were due on October 30.

Dues

- If you have not paid \$25 dues yet, the link is still available on the K12 Payment website. You must pay dues to receive your certificate and honor cord for graduation!

Service Opportunities

Green Valley Swim Club Landscaping

- Saturday 11/7, 9 AM - 1 PM
- Ms. Whitener is the contact and will sign off on hours. They need volunteers to bring chainsaws, weed eaters, and loppers if you have them.

Student Council Hat and Glove (matching set) Drive

- Friday, 11/13 10 AM - 2PM, bus lot loading area
- You will receive a ticket from Ms. Baer for each matching set you donate, and each is worth one hour of service. Please email a picture of your tickets to Ms. Myers by 11/21 so that she can verify your service hours.
- Unisex, neutral colors, all ages 5-18
- Please do NOT buy 14 sets to max out your service hours. You may earn a max of 5 hours with this drive.

REMINDER: No-Contact Option for Hours

For each hour you wish to earn, you may create an assignment for a class in which you are currently enrolled. The assignment can be a worksheet (with answer key), a presentation, a project prompt, or something else. It should only take you an hour to create it, and it should be designed to be finished in a class period. Once you have completed creating the assignment, upload it to Canvas to receive the hour of credit. Please also indicate that you have created an assignment on your hours sheet.

You must complete a separate assignment for each hour you need to complete. Each assignment can be for the same class or different classes, but please make sure they are for classes in which you are currently enrolled. Please also indicate the course and teacher for which the assignment is intended.

Q1 Hours

Upload a scan of your Q1 hours sheet and created assignments (if any) by Friday, November 20 at midnight on Canvas. We recommend 3.5 hours of service completed by this point in the year to stay on track.
