

NGHS NHS Meeting

January 27, 2021

Dues

- If you have not paid \$25 dues yet, the link is still available on the K12 Payment website. You must pay dues to receive your certificate and honor cord for graduation!
- <https://www.k12paymentcenter.com>

Service Opportunities

Green Valley Swim Club Landscaping

- Saturday April 10, time TBD
- Ms. Whitener is the contact and will sign off on hours. They need volunteers to bring chainsaws, weed eaters, and loppers if you have them.

Reminder: Hours Requirements

- 14 hours of service of any type (non-paid peer tutoring, church events, etc.)
New spring members must complete 7 hours of service.
- Each hour of service must be listed on the NHS Hours Log, which will be uploaded to Canvas at the end of every quarter ([link to hours log](#))
- For each service activity, the supervisor must complete a Google Form acknowledging the service was completed.

Reminder: No-Contact Option for Hours

For each hour you wish to earn, you may create an assignment for a class in which you are currently enrolled. The assignment can be a worksheet (with answer key), a presentation, a project prompt, or something else. It should only take you an hour to create it, and it should be designed to be finished in a class period. Once you have completed creating the assignment, upload it to Canvas to receive the hour of credit. Please also indicate that you have created an assignment on your hours sheet.

You must complete a separate assignment for each hour you need to complete. Each assignment can be for the same class or different classes, but please make sure they are for classes in which you are currently enrolled. Please also indicate the course and teacher for which the assignment is intended.

S1 Hours

Upload a scan of your S1 hours sheet and created assignments (if any) by Friday, February 5 at midnight on Canvas. We recommend 7 hours of service completed by this point in the year to stay on track.

Next meeting:

Thursday, March 18 @ 9:00 AM

Makeup meeting:

Friday, March 19 @ 9:00 AM
