Dear Parents/Guardian:

Sedalia Elementary has been designated as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. As stated in ESSA Section 1111(d)(2), North Carolina had to identify schools for targeted support and improvement. TSI-AT schools in North Carolina have a subgroup that is underperforming. The intent of this opportunity is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction.

As a TSI-AT school, Sedalia Elementary school must develop a comprehensive plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor the progress of our school. The comprehensive plan will address the following areas:

- Classroom Management
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Implementation of a Tiered Instructional System
- Student Support Services
- Family and Community Engagement

Our students need to experience higher achievement levels, which will require challenging work for the staff, students, and families. Parent engagement is at the heart of our school improvement efforts.

Here are some resources available to help:

- Make sure you and your student know the academic expectations set for your student
- Make sure that your student is prepared and attends school each day
- Monitor your student's homework
- Monitor the progress your student is making and attend meetings with your student's teacher(s)
- Keep track of our website and social media sites [https://www.gcsnc.com/sedalia\\_elementary](https://www.gcsnc.com/sedalia_elementary).
