Virtual Course Opportunities Overview

- All classes taught by GCS teachers online through Canvas using Zearn and Nearpod.
- Families may enroll in Summer Virtual Math Courses by using this [link](https://forms.office.com/r/mJNFzFjTCG) (<https://forms.office.com/r/mJNFzFjTCG>) or the QR code above.
- Courses run June 6 - July 24, 2025
- Courses are not graded and will not appear on a transcript.
- Bridge courses do have a final exam within the course that will be reported to the students' school for 7th or 8th grade math placement purposes.
- Students should expect to spend at least 6 hours per week on "Ready for" or "Bridge" courses.

Ready for NC Math 1

For current Math 8 or Accelerated 7 students who may need additional support to be ready for Math 1.

Ready for NC Math 3

For current Math 2 students who may need additional support to be ready for Math 3.

Bridge to Accelerated 7

For current Math 6 students who have the opportunity to take Accelerated 7 based on GCS math placement guidance.

Bridge to Math 1

For current Acc6/AIMM students who will be skipping Accelerated 7 to enroll in NC Math 1 during 7th grade based on GCS placement guidance. Also for current Math 7 students who will be skipping Math 8 to enroll in NC Math 1 in 8th Grade.

Register by June 6, 2025
