

Why play a game when you can create it?

Free summer STEM enrichment program for 6th - 8th graders

Every child deserves a chance to shape the world. But they don't always have the tools to do it.

That's why we've launched the Verizon Innovative Learning STEM Achievers program - an immersive program developed to ignite STEM passions through design thinking, 3D printing, augmented reality and social entrepreneurship.

-  **The program takes place over the course of two 3-week sessions.**
Boys only: June 23 – July 11, 2025. 8:00 am - 2:30 pm.
Girls only: July 14 – August 1, 2025. 8:00 am - 2:30 pm.

 **North Carolina A&T State University**

For more information, please contact
