Asst Principal

Dear Parents/Guardians,

We have students/parents that need some additional information about the registration process. This is specifically for parents that have enrolled in the virtual academy and would like for your child to **remain** at Allen Middle School. Allen Middle School will begin with remote learning and then Social Distancing Learning **beginning *October 20***, which could change based on CDC Health guidelines and state and federal declarations.

If you would like for your child to continue at Allen Middle School, instead of the virtual academy where you have already enrolled, follow these steps:

Go to the District website: [www.gcsnc.schoolmint.net](http://www.gcsnc.schoolmint.net)

Log in with email and password (or click forgot password)

Follow steps to withdraw

If you do not have success, please contact, Mrs. Pace, Data Manager at 336.294.7325.

Sincerely,

Mr. Dwayne Jordan
