Certification Process

Certify - Guardian Certification of Student

From Email

|	
If you have your daily email available, click the Report button.	Hi Student/Parent/Guardian, Due to COVID-19, we have implemented a special COVID-19 pre-entry certification process to protect our students and staff. Please complete today's pre-entry self-certification report by clicking the report button: Report Upon your report submission, if you are compliant to enter the building, a green Safety iPass will be accessed by clicking: Safety iPass URL
Answer all questions and click SUBMIT. (Note: questions may change as NCDHHS provides more information or suggestions.)	
You will receive an iPass based on your answers. This iPass can be accessed from your CrisisGo app for entry into buildings. It can also be accessed from a web browser using the link in your email.	
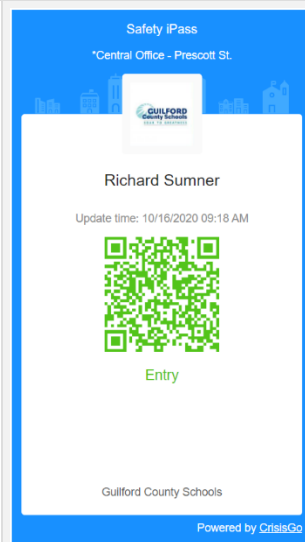

Certification Process

From Web

|	
If you wish to go directly to the web to pre-certify, go to https://checkin.crisisgo.net/tools/safetycheckin/#/loginByStudent. When the login screen appears, click **Sign In With SSO**.	CRISIS GO Guardian/Student Login Forgot password? Login Sign In With SSO
Enter the student's GCS account information. This is the same account they use to connect to remote learning. <Studentid>@stu.gcsnc.com Press **Continue**.	CRISIS GO Sign in with your Single Sign-On credentials Enter your organizational email Continue
A Sign in box will appear. Enter the student's ID number and password. Press **Sign in**.	Sign in https://adfs.gcsnc.com Username Password Sign in Cancel
Verify the correct student is selected and then answer all questions and click SUBMIT. (Note: questions may change as NCDHHS provides more information or suggestions.)	

Certification Process

You will receive an iPass based on your answers. This iPass can be kept open or printed to show to staff upon arrival at school.

CrisisGo App for Guardian
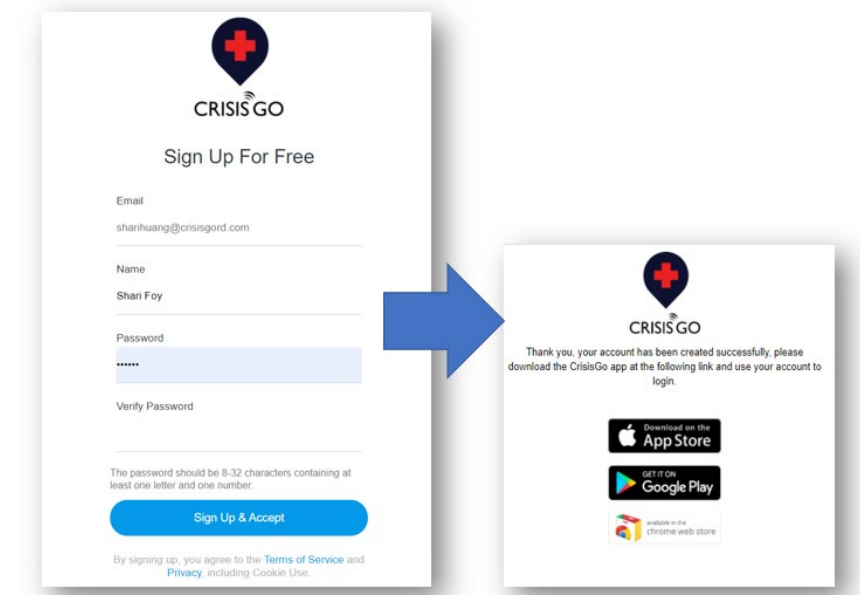

App - CrisisGo for Guardians

In addition to the option of using the **Report** button in the certification email, parents and guardians can certify students using the CrisisGo app.

Follow these steps to certify your student(s):

Step 1 - Register for an account by clicking the link in the student pre-visit certification email.

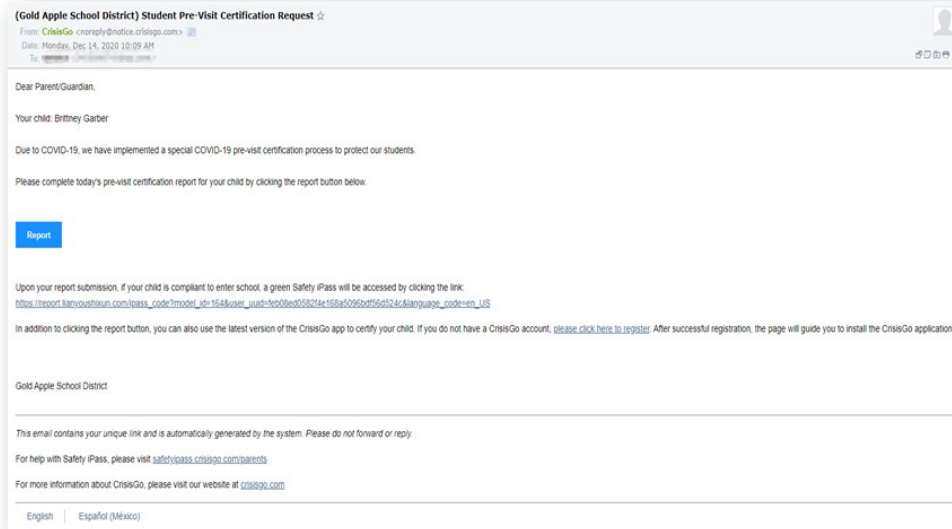

Step 2 - After clicking the hyperlink, your account information will auto-populate on the registration form. The last step in the process is to create a password. Once that has been completed, the page will direct you to install the CrisisGo application.
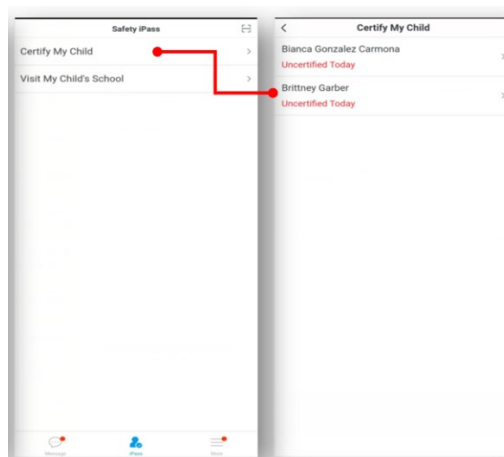

CrisisGo App for Guardian

Step 3 - Once you have downloaded the app, log in using the credentials you just set up. Once you are in the app, click the **iPass** tab at the bottom of the screen. This will take you to the **Safety iPass** screen.

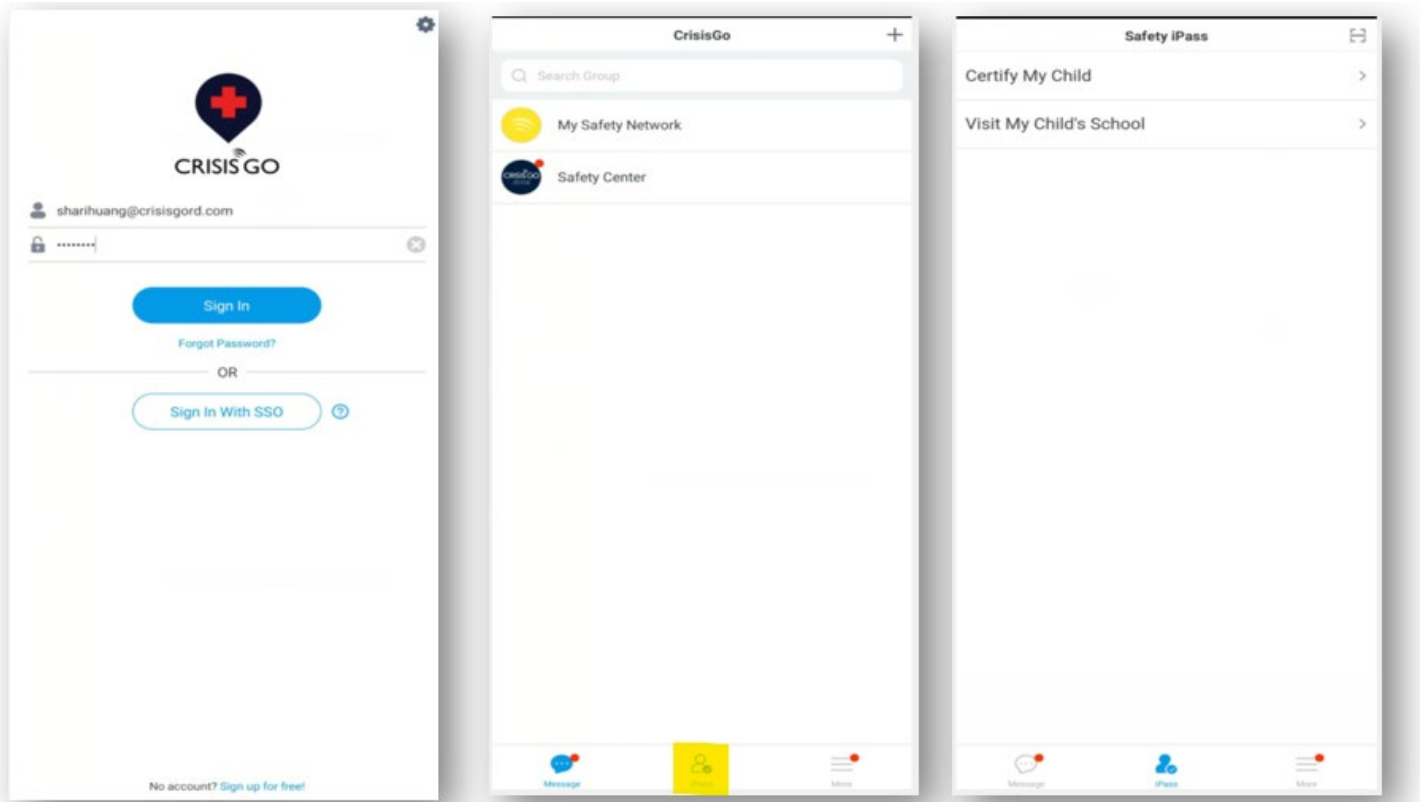

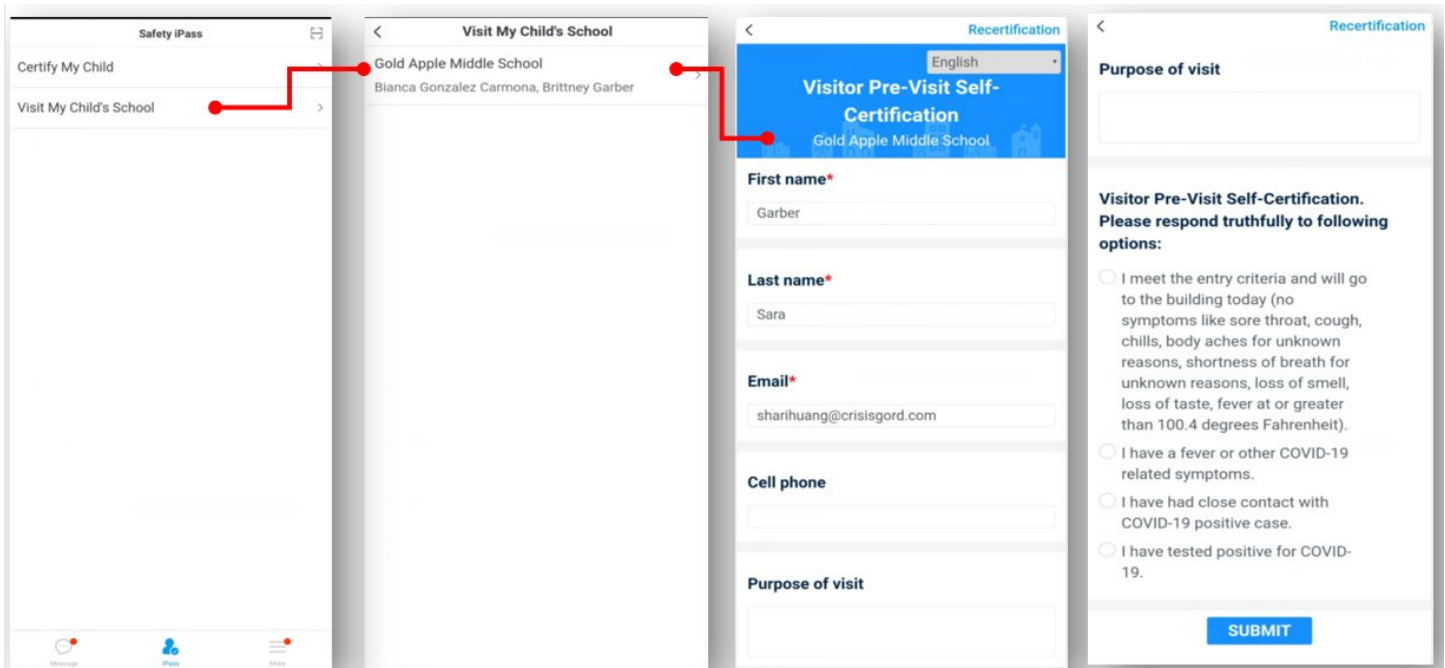

Step 4 - Once you are in the **Safety iPass** tab, you can select *Certify My Child* to view the associated students that need to be certified. To certify, simply tap the child's name and answer the certification questions.

CrisisGo App for Guardian

Visitor Pre-Visit Self-Certification

You can also certify a visit to your child's school.

1. Select **Visit My Child's School**

2. Select the school you will be visiting.

3. Fill in the required information and answer all pre-certification questions.

4. Tap **Submit** to see if you quality for a visitation badge.

CrisisGo App for Students

The CrisisGo mobile app can be used by students to pre-certify prior to entry into GCS buildings.

Install the App
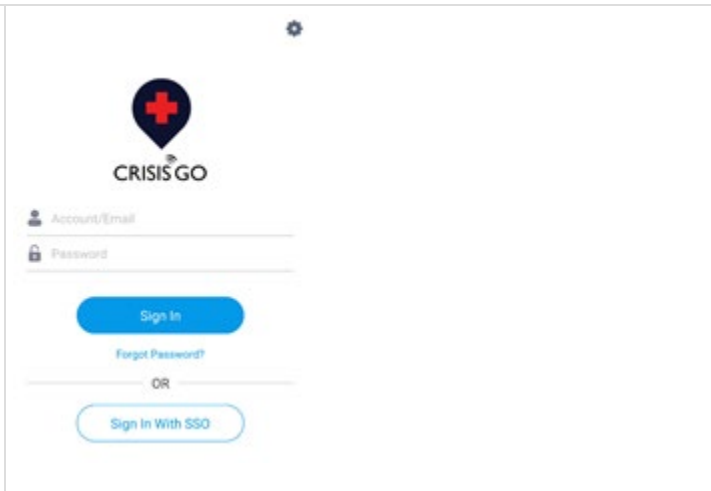

Android

1. Open Google Play.	
2. Search for "crisisgo".	
3. Press Install.	
4. Open the CrisisGo app.	
5. Allow CrisisGo to access photos, media, and files on your device.	This is only used to store your daily iPass.
