

Hunter Elementary Weekly News
Week of January 18 – 22, 2021

Hello, Hunter Families!

School is closed Monday for the Martin Luther King, Jr. holiday and Tuesday for a Teacher Workday. School begins on Wednesday.

Families using GCS devices are reminded that they are responsible for the device and charger. A GCS device must be returned with a charger. If a device or charger is damaged or lost, a fee will be assessed. Families with students entering PreK in August 2021 may now submit applications through April 16th. Please see the Hunter website to learn how to apply.

Finally, we are excited to congratulate Bryson Braxton as Hunter's winner in the GCS Winter Break Reading Contest! We are proud of Bryson's accomplishment.

We look forward to seeing our students again on Wednesday. And remember, "Together We Can!"
