II. Celebrate recent successes

Think about a way we can monitor student successes between benchmarks

Template from Cone Elem. that we can use to track student progress and puts data into progress report to send home to parents. File for each child. Are you all still using common formative assessments? We will be creating some for ARC (4/5) to get data about some specific objectives. Eureka math also contains some common assessments -

Suggestions: Exit tickets, pull out basic focus for module and create an exit ticket for that focus. Figure out focus before teaching. CKLA - use skills learning.

By January we need to have a plan in place for common formative assessments. We will share more ideas at our next meeting.

Wear bling next week. Concern: stalls in girls restroom that do not lock

Monday and Tuesday practice in cafeteria for program.

Congrats to Nicia for finishing her program at High Point University.

Calendar - January 16th -focus group for parents of color - run by Kristen Cassell. Invite will go out with RSVP. If anyone sees anything else we need to add to the calendar notify Ms. Ebbs and she will add it.
