

Connect Ed

Good evening Jamestown Middle School families. This is Dr. Vernon with a few important reminders for the upcoming week.

6th grade students will take their third math interim this coming Friday.

7th graders will visit the symphony on Friday.

As the weather begins to change outside, I want to remind our families of our school dress code. I have attached the dress code to the week's email update and will also include it in our social media posts.

There are only two weeks left in the third quarter. This portion of the year flies by. Make sure that you are talking with your student about their progress and what they need to do to finish strong.

Our spring sports teams kick off this week. Softball and baseball will have games on Monday at home against Mendenhall Middle and at Western Middle on Thursday. The track team will have a meet at home on Wednesday against Mendenhall Middle.

That's all for this week. We look forward to seeing you all back next week!

Go Tigers!!!
