Topic Title I 2018-2019

Team reviewed Parent and Family Engagement and Compact from 2017-2018 from last year to revise for 2018-2019.

Team agreed upon wording of both documents and will take them back to their groups for additional feedback before finalizing. Mrs. Ebbs will take to the PTA meeting and hold an additional meeting to get more parent feedback.

Title I Planning Budget was discussed. Team agreed that hiring a teacher for two days was a strategy that will be used to increase AG early intervention in grades K-2 as well as working with all students on personalizing learning utilizing the Maker Space and technology.

Replacement materials are needed for our technology equipment and the team agreed that a portion of the budget was set aside to replace projector bulbs, headphones, portable speaker system, and

replacement projectors.

Team discussed having an after school tutoring program in the fall. Team decided to have a six week program for after school tutoring to help students in the start of the year to catch up or get ahead. The program will be for grades 3-5. Ten tutors will be hired for the two day a week program. ARC Toolkits will be used for literacy and Eureka strategies for math. The second hour will be used for reading steps and homework help.

Parent involvement activities were discussed and a focus on additional communication was decided based on a parent survey. Ink for printers and postage was agreed upon. There will be three parent events where food will be provided for families, Annual Title I/Open House meeting, Spring Family Literacy Event and Kindergarten New Parents meeting.
