Dance with Ms. Hairston

2024

Beginning Dance | ROOM 511

2025

Weekly Agenda

We will follow the schedule listed below:

3:1 method

3 weeks of dancing (M-F)

1 week of assignments & classwork (M-F)

You may have homework and WILL be expected to complete it.

To earn full credit, homework should be done completely and to the best of your ability. Homework will be EXPECTED to turn in the next day.

Absences + Missed or Late Work

It is YOUR responsibility to complete any missed work due to an absence. There will be a folder labeled with your class name, where you can find any work you have missed.

You are required to discuss with Ms. Hairston on missed assignment due dates!

If an assignment is late due to illness or an excused absence, the lateness may be excused and will not be penalized.

Injury Policy

Dance is very physical and requires a lot from our bodies. Some days can be easier than others.

If you are not feeling well, or injured, you MUST have a note from your parent/guardian WITH a method of contact.

Cell Phone/Electronics Policy

Cell phones and other electronic devices (including headphones/AirPods) will be stored in the pocket holder and will be placed on SILENT. Students will NOT use their phones, unless instructed by Ms. Hairston

You are expected to follow all school and district guidelines for all other technology use, including classroom laptops, etc.

Class Website

Assignments, extra handouts, and additional information may be posted on Canvas.

Check daily or weekly to see new postings!

About Your Teacher

I believe:

"Everyone has the capacity to succeed. No matter what happens, YOU can always learn and be successful!"
