Pi			
Criterion	Mark	Comment	
A	2	Aim is implied (p2) but not explicitly. No rationale but a limited conclusion (p9). More diagrams would aid the coherence of the exploration.	
B	2	Repeated use of * in place of multiplication. Some variety in representation. Appropriate use of spreadsheets.	
C	3	Evidence of significant personal engagement through historical and multicultural interest.	
D	2	Meaningful reflection realising circular argument on p2. Further limited reflection on p9.	
E	5	Iterative process demonstrate good knowledge and understanding not in syllabus commensurate with SL
