Approval of last meeting's minutes

This was the first meeting of the year.

### Old Business

Grave level feedback

- Kindergarten (Elam) has asked if younger siblings can go sit with older siblings due to overcrowding.

- Miller recommends approving this motion.

- Mr. Zimmerman discussed dismissal procedures with this change. How would TAs support this change?

Elam recommends designating a specific person to gather siblings. Additional support would need to be allocated due to the increase in students requiring supervision.

- Mr. Zimmerman wants to continue to discuss this and think through potential procedure changes and staff needed for this change.
