April 12, 2022

Meeting Start Time: 2:45 pm

Members: Zimmerman, Jackson, Jennings, Raines, Bostick, Penner, Ventus, Miller, Roberts, Balatsias, Cyrus, Lowe, Hardin

### Calendar Items:

- 1) May 13: Field Day with June 1 as the rain date
- 2) June 2: 5<sup>th</sup> Grade Promotion
- 3) June 3: Last day of school for students
- 4) Mr. Zimmerman asked that SBLT representatives ask their colleagues if they would like the building to be open Sunday, April 24, the day before returning from Spring Break.
- 5) Mr. Zimmerman also asked that he be notified of any other dates staff would like the building to be open on a weekend day. If known early enough the date(s) can be put in the News You Need email.

### Grade Level Concerns:

- 1) First grade had a parent mention the condition of the gravel drive at the back of the building. Because buses have been using this drive, potholes have developed. Mr. Zimmerman said a request can be submitted to maintenance for gravel to be placed during the summer break. Having signage to alert drivers of children playing in the area was also suggested.
- 2) First grade asked if tardy students can be sent directly to their Specials Class instead of going to their homeroom first. Mr. Zimmerman encouraged the teachers to remind the parents of the start time for Specials, as there is not a staff member in the office to escort students to their Specials class.
- 3) There is a shortage of bus drivers available for field trips. There are no funds available for field trips. Adaptive classrooms should be included in field trips.
- 4) Email Mrs. Jackson about any maintenance and/or cleaning issues in the classrooms. Carbon copy Zimmerman, Vaka, and Cline in the email.

### Budget and Proposals for Consideration:

- 1) Title 1 monies are to be spent on reading, math, and science to benefit all students.
- 2) All Title 1 monies for the school year 2021-2022 have been spent.
- 3) In consideration of preparing the budget for the 2022-2023 school year, Mr. Zimmerman asked if there are programs that have been purchased that are not being widely utilized.
- 4) Kindergarten would like to have access to Reading A-Z.
- 5) Ms. Balatsias asked for math flash cards for the EC team. Mr. Zimmerman stated there are funds not designated as Title 1 funds that are available to help with that purchase. The EC team would like Number Worlds to be considered.

Meeting End Time: 3:43 pm
