III. Review and respond to coaching comments - None

IV. Approval of last meeting's minutes - approved

V. Old Business

We think Strawbridge will be able to do a Yearbook in some fashion. Mr. Winslow is working on this.

VI. Indicators to Assess-Create-Monitor

Assess Indicators - none due at this time

Create Plans and Tasks

Monitor (see Actions Report)

VII. Other Business

- **Bathroom log and hand washing log. Are we still complying with this?** Covered in COVID Staff Meeting
- **End of year procedures: packing up, cum folders, timing** – Mr. Winslow is expecting to get information on this in an upcoming principal's meeting. More information will be coming and summer school will involve this. We will host summer school for Alamance, Erwin and Pleasant Garden.
- **New protocols from state: 3 feet and health assessments waived. If we still have to do the health assessments can we use the Crisis Go App? Can Bathroom stalls be reopened?** - Covered in COVID Staff Meeting
- **Can we have any additional furniture or use of tops of cabinets? Teachers would like to have a small group table for interventions** – Awaiting guidance from the district

- **EOY testing expectations for staff** – The assessment department set up the assessment calendar. There are pros and cons to how the days will work. PreK will not have asynchronous days. On the remote student testing days, all K-5 students are at home. The virtual academy and remote kids will be coming in to test. They are keeping those kids in smaller groups. This will require more teachers beyond 3-5 teachers to be test administrators. EOGs – if the parent is providing transportation, the student may leave once testing is done. If they use GCS transportation, the student will stay until 2:30 PM. Lunches will be sent home the day before for asynchronous days.
- **Career Week** – Mrs. Archer and Mrs. Brown have been working on this. It will be the Week of April 26. There will be dress up days for the students (School Pride, College Day, Dream Big, What I Want To Be, Dress for Success. There will be Power Points and resources shared for kids to share information about different jobs.
- **Field day and remote students** – Mrs. Martin will be consulted to decide if it would be possible with social distance protocols to have remote kids come in if their parents would like for them to participate in field day (and 5th grade Survivor Day)
- **National School Nurse Day – May 12** – Classes may do cards if they choose and a collection to get flowers and a gift card for Nurse Schneider. SBLT members will collect money for this and give it to Beasley by May 5, she will get the gift.

Next Meeting May 11
