Safety concerns

Breakfast in the cafeteria

- Students are missing service times
- If there are students that are receiving services that teacher needs to email Sonya Cureton for breakfast for those students' breakfasts to be put in your classroom (pulled from Dlangalala (Mimmy), Hulen, EL, etc.)
- Students that are bus riders – please remind those students to get breakfast first and to not go to class first
- Staff that are on bus duty/hallway duty can be vigilant and let the classroom teacher/staff know to speak to that student
 - Consequences for walking back and forth in the hallway – breakfast bin (with just those students)
 - Possible cart in the hallway for those students that cannot handle walking to get breakfast
 - By next Wednesday reevaluate to see if this problem continues
