1. The Career and College Promise Program is open to eligible North Carolina high school students in order to accelerate completion of college certificates, diplomas, and associate degrees that lead to college transfer or provide entry-level job skills.
2. Eligible junior and seniors are allowed 4 tuition free semesters at GTCC if they enter at the beginning of their junior year and enroll in college classes for the next 4 consecutive semesters (not including summer). Home school students must be making academic progress towards graduation and reclassification of homeschool transcripts is prohibited.
3. Students may be responsible for all textbooks, fees and supplies.
4. Students will receive college semester credit hours, which will apply toward college graduation and/or transfer.
5. All coursework at GTCC becomes part of your permanent academic history. Grades received and/or excessive drops may have implications involving future financial assistance, athletic eligibility, probation, etc.
