Action Taken:

Media Center Debt--GCS has told us to wipe the current GCS debt of \$3840.11. This has been accumulating for years. In the past students would pay off debt before graduating. We no longer will carry debt over a year. We need to think of ways to be more proactive in collecting student fees while enrolled at NGMS. Situations that we know of hardships for students, we will allow for them to do something (shelf books for example) to work off the debt. Suggestions for collecting funds:

--Notify students earlier (HR teachers are sent weekly updates with students who have past due materials)

--Notify parents via Connect Ed messages and/or letters quarterly

- HR to use notification from the Media Center to collect items and discuss with students
- GL discussion on February 19th

Projections for 2020-2021:

- tend to have lower numbers in our rising 6th graders
- all students in core at the end of the day to help with dismissal
- recommendation for next year to dismiss bus riders 5 minutes prior than car riders
