1. The G3 Academy requires that a student enroll in 2-4 virtual courses each year with the option to enroll in a summer course in order to meet graduation requirements in three years and begin post graduate work in year 4. Why do you believe this program is a good fit for you?
2. The G3 Academy seeks to develop students with strong character and leadership. G3 students will receive a Leadership and Character Assessment each semester. How would you define leadership and why do you believe strong character and leadership skills are essential for a high school graduate?
3. If you were a leader of a “service learning” project at Western Guilford High School, what would your project be and why?
