

Connect Ed – April 6, 2021

Good evening Kernodle Cougars,

I hope that everyone had a restful break.

Your students brought home a picture from before leaving for spring break. This information can also be found on our website.

Students that are in school will take pictures on April 8th for cohort B and April 13th for cohort A. Remote students may come on these same days between 3:50 to 5:30 to the media center and you will enter through the doors by the bike rack in the bus parking lot. The link to sign up for remote students only can be found on our website.

As the warm weather approaches please remind your student of the school dress code, which is located in the front of the student planner.

If your student has early dismissal, call the school when you have arrived and at this time, we will call for your student and then meet you at the front door to check your ID and have you sign the student out. You must have a face covering on at all times when on GCS school grounds.

Autism Awareness day was during our spring break but we will celebrate it this Friday.

Have a great evening
