

Connect Ed – April 14, 2021

Good evening Cougars,

Report cards were emailed out today around 4:00 p.m. and if you did not receive your student's report card, please call and ask to speak with the data manager, Ms. Southard.

Unless you are already a remote student or signed-up to go remote, you will return on Monday the 19th. However, Wednesday the 21st will be a remote day for all students.

If you are a face-to-face student and requested bus transportation, please check your student's power school account. Scroll all the way down and on the far left hand side is a bus icon, click the icon and this is where you will find your bus information. If there isn't any information here, please call transportation at 336-605-3305 because they do not have a bus listed for you.

Picture retakes will take place on May 12th. Remote students may come from 12-4:30 if they wish to do retakes. More information can be found on the school website.

The last day to order a school yearbook is May 21st and they will arrive in September.

Thank you to all of our remote students who came in today to do MAP testing.

Thank you and have a great evening.
