

Connect Ed – April 25, 2021

Good evening Cougars,

For the safety of everyone please follow the traffic flow patterns. To keep the line moving quickly we need for you to move all the way up to the end of the car rider drop off line.

Overdue notices were sent from the media center this week to each student's GCS email and they also received a paper copy. Please return these items to the book return boxes at school. Please read the notice for details about handling lost books.

On Friday, May 7th, all KMS students will be participating in the American Heart Association's Heart Challenge during their P.E. and Health class. In-person students will participate in Jump Rope and Basketball Games and Remote-students will participate in a Heart-Healthy Workout. If families would like to make a cash donation to the American Heart Association on that day, donations will be collected by their student's P.E. and Health teacher.

Please remind your students to follow the school dress code. The dress code be found in the front of the student's planner and this has also been stated in the morning announcements for the last 3 weeks.

Picture retakes will take place on May 12th. Remote students may come from 12-4:30 if they wish to do retakes. The last day to order a school yearbook is May 21st and they will arrive in September. More information can be found on our website about pictures and yearbooks.

Face-to-face students only will complete MAP testing this Thursday and Friday.

Students will bring home a letter tomorrow about End-of-Grade testing. If you have any questions, please call the school and ask to speak with Ms. Nix.

Have a great evening.
