SLT approved an exam schedule for January testing that includes testing all exams (CTE, EOC, teacher made and district exams) during January 11-15. While this was approved by SLT, it was agreed to not publish the schedule yet due to information changing so quickly. While we are not releasing a schedule until December 11, teachers are encouraged to communicate specifics about their own exam, so students can be aware. When the exam schedule is published it will have a disclaimer letting our families know that if the State adjusts, our schedule will have to be adjusted as well.

In November, the district announced the use of retired NC Final Exams as district final exams. While effected courses must use these assessments, schools can determine what percent of a student's final grade it will count. It was recommended that the district final exams remain as 20% just like all other exams in the school and this was approved.

A [bell schedule for 2nd semester Plan B](#) was proposed and feedback is welcome. Please keep in mind that this bell schedule would begin January 21 if kids return on Plan B. It also meets the requirements we are aware of at this time of breakfast and lunch in the classroom, time for cleaning and the 9:55-4:25 school day. We need additional information from transportation about how they plan to load buses that could adjust the time 4th block ends and therefore requiring the adjusting of all 4 blocks to balance instructional time. This bell schedule will need approval at our next meeting.
