

Trojan Weekly Update from Ms. Caesar (4.18.21)

Greetings Ferndale Family (Trojan Nation)!

This is Principal Caesar – Crawford with important updates for the week of April 19!

Instruction:

IMPORTANT: Beginning on Monday, April 19, all students that were attending school on a 2 day per week cohort format, will be required to now attend school 5 days per week. This means, EVERY student that was in either the BLUE or the GOLD cohort will now come to school every day, Monday through Friday, beginning April 19. If your student was provided transportation for a 2 day per week schedule, they will automatically be provided transportation 5 days per week. **Remote students will remain in a remote instruction format for the remainder of the year.**

If your student is currently remote, please expect a phone call this week to discuss your intention for next school year. This information is absolutely critical for our planning process for next year and look forward to speaking with you.

More information about our transition back to 5 day per week learning is provided on our website under “Q&A With Principal Caesar-Crawford” on the first page.

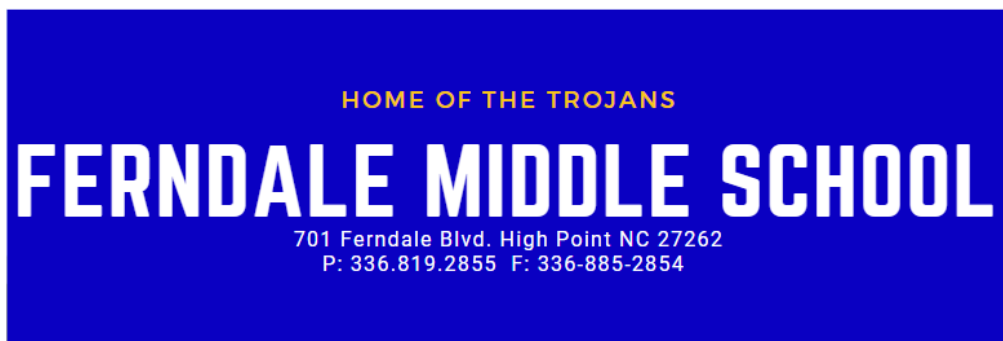

Report cards for all students were mailed out on April 14 to student emails and parent emails. If you did not receive a report card for your student, please contact our front office as soon as possible so may ensure that you receive one.

Assessment :

April 12th and April 15, we will be administered Interim Assessments for our Grades 6-8 students in ELA and Math. Updates will be provided regarding our next assessment administration, which is NWEA MAP testing, in the upcoming week.

James Bawson, Assistant Principal Ronnie Marshall, Assistant Principal Maria Rivas de Kouba, Assistant Principal

Attendance:

Each day, your student's attendance at school for each of their assigned days is crucial to their academic success. We look forward to seeing our students in class, every day, on time. If there are any supports that you need in ensuring that your student is able to attend school in person or remotely each day, please reach out to a member of our teacher or administrative team right away so that we can assist.

Safety

Beginning this week, April 19, student will no longer be required to complete the attestation form or the CrisisGo App either before boarding their school bus or the entering the school building. In order to facilitate the most efficient transition process each morning, please ensure that your student is on time for arrival at 9:20 AM.

Adults will still be required to complete the attestation process as per usual moving forward.

At this time, we are still not open for community volunteers or visitors, but are happy to receive your phone call to the front office with any questions.

Thank you for your continued support. Let's make it a great week at Ferndale Middle!
