FIRST STEP, I INSTALL THE APP TO YOUR IPAD

Installing and Opening IStation on an iPad

You will need the IStation app installed on your iPad!

*****PLEASE DO NOT OPEN THE ISTATION APP DIRECTLY. IStation should be opened through the NCEdCloud website, using Clever.*****

Downloading the IStation app:

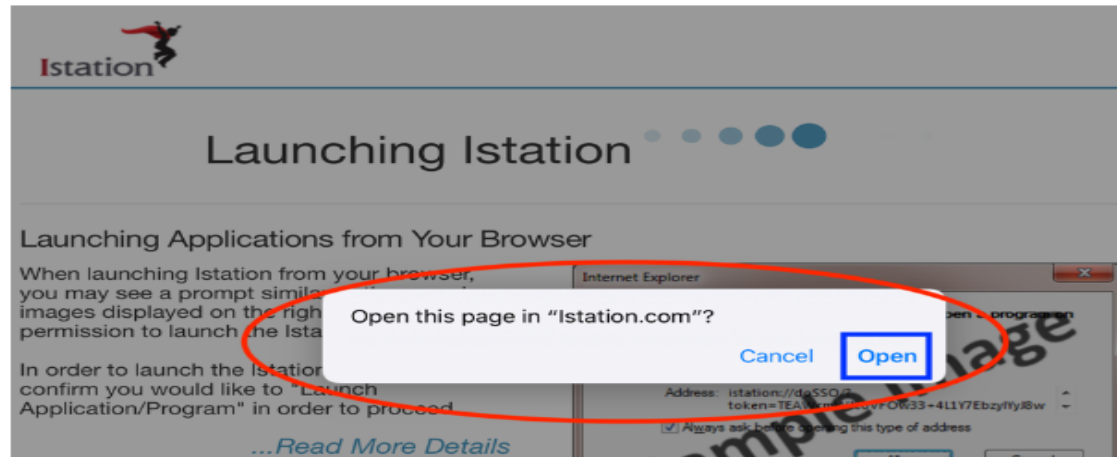

- On a GCS iPad, the IStation app can be installed from the “Self Service” app  or the “Manager” app  depending on which GCS iPad you’re using. **Click to download, but do not open it.**
 - GCS iPads in blue and orange cases, and gray cases, will use the Self Service app.
 - GCS iPads in other cases will use the Manager app. Open the Manager app and then select the button labeled ‘Self Service’ on the lower right-hand corner.
- On a personally owned iPad, you can find IStation in the Apple App Store by searching for “IStation”. Find that and download it, but **do not open it.**

NEXT STEP- ACCESS ISTATION ON YOUR IPAD?

Instructions for Use:

1. *On a GCS iPad:* Open the NCEdCloud icon on your Home Screen. 
 - a. *On a personally owned iPad:* open the web browser of your choice (preferably Safari  or Chrome ) and go to my.ncedcloud.org
2. Log into NCEdCloud using your student ID number and NCEdCloud password.
3. Select **Clever**. 
4. After Clever opens, scroll down to the IStation logo and click it. 
5. The first time you open this, you might be prompted to “Open this page in Istation.com?”. Select **OPEN**.

DETAILED
DIRECTIONS!

6. This will open the IStation app, and after a few moments it will be logged in and ready *as that student*. You can verify this in the IStation app on the first page: it will show your child's name in the upper left-hand corner as “Welcome, <student name>”.

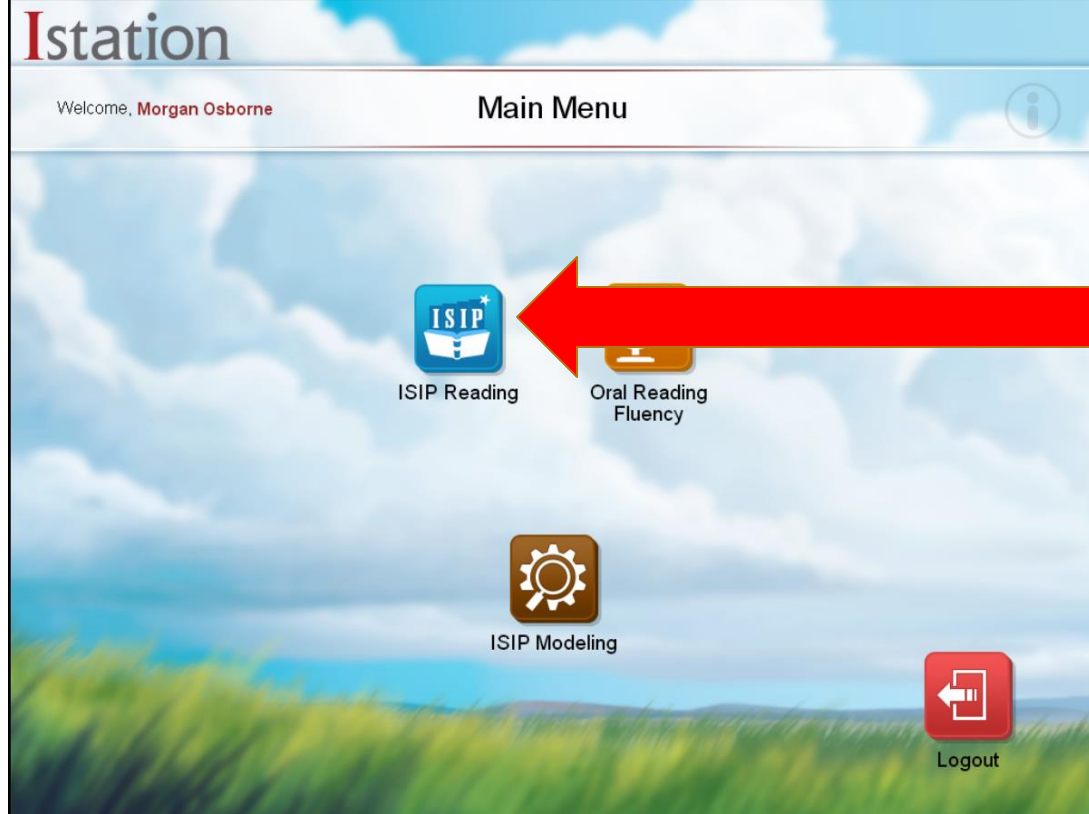

IF ON A GCS DEVICE or personal iPad THAT HAS THE ISTATION APP (see slide 3 for instructions on how to get this)

- Log into NCEdCloud
- Choose Clever
- Choose the Istation App
- If you are using your iPad and you need to stop between tests, your work will be saved!

The image displays two screenshots of a web browser interface. The top screenshot shows the NCEdCloud portal with a grid of application icons. A red arrow points to the Clever icon. The bottom screenshot shows the Clever portal with a grid of application icons. A red arrow points to the Istation icon.

Once this screen pops up, choose
“Open the
Imagination Station”

The screenshot shows a web browser window with the Istation website. The address bar shows a URL starting with 'secure.istation.com'. The page displays a 'Launch Failed!' message with the text 'See below for more information:'. Below this, there is a section titled 'Launching Applications from Istation' with instructions for users. A large red arrow points from the bottom left towards the 'Open The Imagination Station?' dialog box. This dialog box asks 'https://secure.istation.com wants to open this application.' and has an 'Open The Imagination Station' button. Another dialog box, 'External Protocol Request', is also visible, asking for permission to launch an application and has a 'Launch Application' button. The Windows taskbar at the bottom shows the time as 9:16 AM on 9/8/2020.

Choose ISIP Reading (BLUE BUTTON) and follow the directions to complete the assessment
