Old Business

A registration update was provided by Vega where staff were reminded about email communication as well as the upcoming Curriculum Fair on February 16 at 6pm and a rising freshman meeting on campus February 24 at 8:45am. Second block teachers should review the [2023 Blitz Registration Schedule](#) to know when counseling will be registering their classes.

New Business

Mr. Scott provided an update on our testing data where many subjects saw vast increases in proficiency.

Mr. Scott shared student enrollment projections for the 2023-24 school year in which we will see a decrease in student enrollment. More information will be shared later this week once Mr. Scott meets with Human Resources. Additionally, the transfer window is open and staff are encouraged to speak with Mr. Scott about any changes in their plans for the 2023-24 school year.

Concerns over the number of teachers with 4th block planning were raised in which Clapp suggested that only in season coaches have 4th block planning. This concern was discussed as it creates significant imbalances throughout the day where 4th block classes are extremely full. This will be reviewed when the matrix is drafted.

Mr. Scott shared that 1st semester failures have decreased to 5%. Failing students should be referred to the Learning Hub. Additionally, Vega shared that counseling was coming back to criteria/parameters for putting kids into credit recovery that include: student must have a 50 or better average, student cannot have more than 10 absences, and the student must be recovering two credits to go in with Tidwell during the day.

A concern was raised over Falcon Fundamental item #22 in which teachers are giving students extra credit for not using bathroom passes. Mr. Scott emphasized that grades should be standards based and would remind staff about this expectation.

The EC department asked that teachers respond to IEP meeting invites as soon as possible.

Parent and Student Questions / Announcements

None.

The meeting adjourned at **8:57am**.

The next meeting is March 7 at 8:15am in room 100.
