Indicators to Assess-Create-Monitor

Indicators Assessed

Objectives Planned For

Instructional Teams will meet for blocks of time (e.g., 4 to 6 hour blocks, once a month; whole days A2.02 before and after the school year) sufficient to develop and refine units of instruction and review student learning data.(5092)

Monitor (updates made)

Teachers and support staff discussed students who were in Tier 2 and 3 for MTSS for the 22-23 school year. We looked at past and current NWEA data and decisions about next steps for these students.

NWEA results for Fall assessment were analyzed for those students performing at the 20th percentile and below. For students falling into this category that were not already receiving EC services or already in Tier 2 or Tier 3 were added to Tier 2 following the Standard Treatment Protocol for their grade level and subject area. The school spreadsheet that tracks decisions on individual students was updated.
