

Good Evening Jamestown Middle School Families. This is Dr. Vernon with a few important reminders for the upcoming week.

This coming Monday, all students in both the Blue and the Orange cohorts will return to daily in-person instruction. As a reminder, all health and safety protocols will stay in place. The only major change is that we will no longer be checking temperatures and completing health screenings when students arrive. For car riders, it is still important that you wait until a staff member signals you before letting your student out of the car.

Next Wednesday, April 21st will be a remote learning day for all students. No students will be in the building.

Report cards were emailed earlier today. In-person students will also receive a hard copy on Monday. Remote only students can request a hard copy to be mailed.

Students will need to bring their laptop, fully charged, each day with them to school.

Well, we're looking forward to another wonderful week at JMS!

Go Tigers!!!
