

Good evening, Jamestown Middle School Families. This is Dr. Vernon with a few important reminders for the upcoming week.

This week, we will begin a new bus dismissal procedure. We will call bus students to the lot in several small waves. Each wave will leave before the next is called. It is important that each student knows their bus number and pays close attention at the end of the day to the bus announcements. If they do not leave when they are supposed to, or if they do not go directly to their bus, they will be left. We appreciate your help reminding them of this.

Interim reports will go out this Thursday. The reports will be emailed using the document delivery feature in ParentPortal. You will need the last four digits of your student's school ID number to access the report.

Our basketball teams will play their first games this Thursday at Southern Middle.

We are looking forward to seeing you all back Monday morning.

Go Tigers!
