

Student Honor Code

This honor code must be signed before a student may dress out for an athletic contest.

STUDENT'S NAME _____
SCHOOL _____
SPORT(S) _____

I understand the eligibility requirements for me to take part in interscholastic athletics in Guilford County Schools. If I had questions, my athletic director has answered them.

By signing this honor code, I promise that:

- All information I am giving on this honor code is the truth. I understand that lying is cheating.
- I live in the attendance area for my school, or I received a transfer to this school with conditions which allow me to participate in athletics.
- I understand athletic eligibility is determined by the athletic department, not student placement.
- The home address provided to the registrar and the athletic director at my school is where I actually live today with my parents, legal guardian or custodian.
- I have written my correct and current home address below.
- I do not know of other students or parents who have given false information to GCS so they can be eligible to play sports.
- I will immediately report all suspected athletic eligibility violations to my principal as well as my coach or athletic director.

Further, I am aware that if I:

- give false information about athletic eligibility to my school, or
- do not report the use of false information about athletic eligibility by others,
- my entire team and I may be penalized by the North Carolina High School Athletic Association and by Guilford County Schools. I may lose the privilege of playing sports and my team may have to forfeit games.
