### **Old Business**

The School Improvement Plan Subcommittee presented [Benchmark #2 Data](#) and [ISS Data](#). Benchmark data indicates that the achievement gap decreased between benchmark #1 and #2. SEHS continues to perform above the district average. As part of the SIP, ISS data for 1<sup>st</sup> quarter was reviewed by SLT. The data indicated a significant disparity between males and females. SLT requested that the next review be coupled with our school's demographics, another schools ISS referrals for comparison and a breakdown of our hot areas (i.e. times with no breaks).

The Climate & Culture and the Discipline Subcommittees did not have any reports.

### **New Business**

The club "[Falcon Friends](#)" presented their bylaws, purpose, service-learning project and target audience. Upon review, the club was approved.

The [testing schedule for January 2017](#) was shared and approved.

Mrs. Baker wanted to remind staff to remind students that if they have a planned early dismissal, to bring that to her first thing in the morning so the necessary paperwork can be completed and unnecessary phone calls can be avoided. This will be put in a ConnectEd as well so parents are reminded of this best practice.

The Science department raised a concern about parents visiting classes without an escort. While this is an anomaly as Mrs. Murray generally alerts an administrator, counselors and administrators will be available to visit classes with parents on an as needed basis.

### **Parent and Student Questions / Announcements**
