New Business

Classified staff brought up the dress code and the need for improved enforcement particularly with items such as excessive holes in pants, shirts with holes, and headgear. There was discussion about whether or not the policy needed to be altered or if the policy needed to be enforced. The SLT will review the dress code at the August meeting.

The Exam Exemption policy was raised. SLT was fine with the current policy.

The topics of electronics, scheduling of school events and students painting their parking spaces were tabled until the August meeting.

Parking lot supervision and increased teacher supervision will be changed for the next school year to allow for more coverage and efficiency.

The 2018-19 school year will start with workdays on August 15, 16, 20, 21, 22, 23, and 24. Dr. Seagraves will hold the opening faculty meeting on August 15 and there will be a safety training for the staff on August 16. August 20, 21, and 22 have been mandated by the district for professional development.

SLT agreed to hold Open House on September 10th, 5:30-7:00 however the district may have another date in mind for all high schools to hold their open house. Stay tuned.

With no direction from the district for 2018-19 PD and no early release days on the calendar, Mrs. Davis shared a potential plan to offer PD next school year that continues the schools work on the six core beliefs. Teachers and other staff would choose one of the six core beliefs to learn more about with their colleagues. The work would be done in groups on Canvas and would be teacher lead. More information will come.

Mrs. Rich shared that prom will be May 17, 2019.
