

Western Guilford Middle School Remote Learning Student Schedule

Guilford County School's Curriculum & Instruction Department is providing lessons for all students during the first three weeks of school. This time allows teachers to complete student & Family Orientation Sessions, attend additional Professional Development and establish two-way communication for all students. WGMS students and parents will be provided a remote learning module and time for live question and answer session via Microsoft Teams and/or Canvas Conferencing tools as outlined below. WGMS students will also receive "live instruction" via Microsoft Teams and/or Canvas Conferencing tools as scheduled below for the first three weeks. **This is in addition to the GCS provided lessons that students are expected to complete each day. Teachers and/or other school staff will hold "Real Time" Sessions at the times prescribed below. Sessions will be recorded for students who cannot attend at the assigned times.**

WGMS Teachers will assume **all teaching responsibilities** beginning the week of September 8th. The schedule below is a draft of how we anticipate remote learning will proceed until the end of the first quarter. The following is a schedule for “live” instruction when students will meet remotely with the teacher.

Students will follow their individual schedules. Lessons will be recorded for students to access if they cannot meet at the scheduled time. Students will be responsible for completing assignments for all classes daily per the teachers’ discretion. We appreciate your understanding and flexibility.
