

Hi!

I'M MS. JONES

Math is an absolute passion of mine! I am so excited to work with you and your *child*! It's going to be a great year! I can't wait to see what this year has in store for us! I thought you might like to know a little bit about me.

I have 2 amazing children. My son *{Malik}* is a rising 8th grader & my daughter *{Kiera}* is a rising 6th grader. I enjoy spending my free time with my family & friends as well as *traveling*.

This will be my *fourth* year at Northern Guilford Middle. It is my *mission* to instill a love for learning, especially math, in my students. I teach with a *passion* so that my students develop a desire to become *life-long learners*. Please let me know if you have any questions or concerns. It is so *important* to keep communication *open* between us and I would love to talk to you whenever you feel the need! I look forward to a *great year together!*
