School Leadership will continue with its subcommittee structure this year. Each meeting, these four subcommittees will report to the at large group.

- **School Improvement Plan:** Jamie Davis shared a data update from 1st semester EOC testing compared to Fall 2017 testing. The Biology composite is up considerably, English 2 held steady, while Math 1 scores are delayed.
- **Attendance Committee:** Jamie Davis shared that this committee needs to be restructured to better meet the requirements set out by the district.
- **Climate Culture:** Shawyn Newton shared that this committee will be releasing a mid-cycle abbreviated Teacher Working Conditions Survey that should provide more clarity around questions that declined in last years survey.
- **Mission, Vision and Core Values:** Jana Tasich shared that core values have been developed. The committee will seek SLT feedback over the next week via an online survey.

The English Department expressed concern about the announcements at the end of first block causing students to pack up early and disengage. SLT decided to leave the announcements in the last few minutes of first block since first block was given all of the 5 minutes added to our schedule at the start of this calendar year. Also, waiting until 10:20 allows Janice to collect announcements.

Jamie Davis and Dr. Seagraves shared our districts Strategic Plan goals that align to “key progress indicators”. These indicators are how our school is evaluated by the district to ensure that we are supporting strategic plan goals. These key performance indicators and Southeast progress towards meeting goals can be found here: [SEHS Goals and Indicators](#)

The [ACT Bell Schedule](#) was shared and approved.

Melissa Rich reminded staff that our accreditation visit is March 13 and 14. She still needs evidence of student-centered learning.
